### Questions?

---

- Check our [FAQs pages](#), or
- send an email to: e-mail not available (is JavaScript disabled?), or
- during business hours, call us: (530) 752-0788

### What is the Davis/Berkeley Intercampus Shuttle?

---

The Intercampus Bus service provides transportation between the University of California Davis and Berkeley campuses for UCD/UCB faculty, staff and registered students. The Intercampus Bus service runs year around, seven days a week, with the exception of some [holidays](#). The bus also carries interlibrary loan material, intercampus mail, and other priority materials to and from the Davis campus and the Berkeley campus. The bus service may not be used for commuting to a place of non-UCD/UCB employment or by non-UCD/UCB personnel.

**Reservations are required.** Cancellations and requests for refunds will be accepted if received by 8:30am one business day in advance of the day of the shuttle trip. Refunds will be processed less transaction fee.

The bus picks up and delivers passengers at the Library receiving dock on the south side of [Shields Library](#) on the Davis campus.

In Berkeley the pick up/drop off area is the [Crescent Circle/West Gate entrance](#) of the Berkeley campus.
