

Fleet Services

Lost and Found

To locate a lost item that may have been left in a Fleet Services rental vehicle, the Intercampus (Berkeley) Bus, or a Charter Bus, call the Fleet Services Parts Department 530-752-9673. To reclaim your item you will need to provide an accurate description of the item, where it may have been left or which vehicle it may have been left in and the date.

Any items found in a Fleet Services rental vehicle, the Intercampus (Berkeley) Bus, or a Charter Bus are placed in a locked storage cabinet maintained by the Fleet Services Parts Department. All items are assigned a number, documented and held for 30 days. After 30 days, the items are turned over to the UC Davis Police Department for disposal.

Fleet Services is not responsible for items left in vehicles, on the Intercampus (Berkeley) Bus or Charter Bus.
