UCDrive: Car Share Program

What is UCDrive?

Rent a vehicle by the hour instead of by the day. It makes occasional use of a vehicle affordable. The program offers these features:

- Rentals [charged](#) by the hour
- 24/7 accessible
- Convenience
- Online [Reservations](#)

How does it work?

Using UCDrive is actually very simple (as in Quik 'n' Easy)

- [Sign-up](#) for UCDrive. Note that it will take 24 hours to setup your account.
- Review our [instructions](#) for using UCDrive
- Make your online [reservation](#).
- Pick up your vehicle at one of our convenient [locations](#).

How can UCDrive benefit you and your department?

- Using the UCDrive car for UCD business means you don't need to bring your car to campus. Save on parking, maintenance and high fuel costs.
- Reduce your valuable time by not having to complete travel reimbursement paperwork as well as making an extra trip to the bank to deposit your reimbursement.
- Fleet Services provides roadside assistance if the vehicle should break down.
- Insurance is included in the hourly fee.
- Reduce administrative effort to process reimbursements and track reimbursements.
- Short trips are now affordable - Only charged for time used and not for a whole day.

Currently Available at Three Locations:
